Lawrence Drug and Major Crimes Task Force

Memorandum of Understanding

Pursuant to this memorandum of understanding, _____, agrees to assist the Lawrence Drug and Major Crime Task Force/ The Lawrence County Quick Response Team (QRT) with the following.

A. Provide assessments to overdose survivors contacted by QRT within 7-10 days of the overdose.
B. Assist QRT in locating available placement for individuals at the recommended level of care.
C. QRT will rotate treatment providers. The scheduled treatment facility will provide one qualified counselor to accompany QRT during follow-up meetings with overdose survivors.
D. The treatment provider will provide Peer Support for QRT when available.
E. If requested, assist QRT with the Student Ambassador Program.
F. Provide QRT with timely information regarding an individual in treatment referred by QRT when the proper release of information is in place. The information needed is a copy of the assessment, treatment plan, and UDS results.
G. Participate in community outreach events.
H. Become and/or maintain a qualified Lawrence County Common Pleas Court treatment provider.
I. As needs and resources may change, either party may withdraw in writing from the MOU as necessary.
