Active Sworn Officer Count April 2022

In December of 2021, the CJ CCoE set out to answer questions about CIT training and retention of officers across Ohio's CIT programs, similar to the CJ CCoE 2016 Point-in-Time Count. Without synchronized systems to unify hiring, training, transfer, and separation records, it is challenging to uncover these answers. Given the constraints and like any point-in-time count, this is only a snapshot of active CIT trained officers as of April 2022.

Through a public records request (PRR) fulfilled by the Ohio Attorney General's Office in April 2022 and the CJ CCoE Ohio CIT Training database (OCIT DB), a formula was used to automatically match officers between data sets. The OCIT DB includes all professions trained, so all names were reviewed (N = 22,651). Matching took place based on multiple variables: full name, suffixes, place of employment, profession, training course(s) completed, and hire date. Verification was necessary to ensure that matches were not false negatives or false positives, and close attention was paid to match common or duplicate names.

Of those sworn officers who took the CIT Patrol Officer Training Course and were found to be active on the Attorney General's Office payroll report for April 2022, the following questions were answered:

How many sworn officers, trained in the CIT Patrol Officer Training Course, were active as of April 2022? 10,690

What is the likeliest retention rate for all officers trained and still active (1/1/2000-4/21/2022)?

10,690 / 14,818 (all trained sworn officers) = 72%

The 2016 Point-in-Time Count, also conducted by CJ CCoE staff, found the same retention rate of 72% using different methods. For more information on this most recent study or the 2016 Point-in-Time Count, please email us: cjccoe@neomed.edu.

Adams • Lawrence • Scioto

CIT Coordination: Amy Hamm

On record at the Criminal Justice Coordinating Center of Excellence (CJ CCoE), we have the CIT Program in the counties of Adams, Lawrence, and Scioto holding their first course in 2015 and the latest, in 2023. The following information relates to active-duty, CIT-trained officers in the CJ CCoE training database as of April 21, 2022. Any officer trained after this date is not relevant to this study since the payroll report ended on that date.

In the 2022 Point-in-Time count our records showed that as of April 2022, there were 29 CIT-trained officers and when matched with the payroll report we found 10 CIT-trained officers still showing active duty. **This generates a potential retention rate of 35% for CIT-trained officers still active in April 2022.**

See the table* below for their representation across each agency according to the list of agencies developed by the Ohio Peace Officer Training Commission (2021).
